

# BASE AMOUNT

## INCOME BASE AMOUNT AND PRICE BASE AMOUNT

### Income base amount

Income base amounts follow wage growth in the country year after year and are determined by the government. For 2021, the Income Base amount is SEK 68,200. The income base amount is used for calculating various types of allowances e.g.

- General income pension
- ITP old-age pension
- ITP survivor's pension

#### 2022

1 income base amount	SEK 71,000
7.5 income base amount	SEK 532,500
8.07 income base amount	SEK 572,970
10 income base amount	SEK 710,000
20 income base amount	SEK 1,420,000
30 income base amount	SEK 2,130,000

### Price base amount

Price base amounts follow the price development in the country year on year and are determined by the government.

The compensation changes automatically when the Price Base amount changes. The price base amount in 2021 is SEK 47,600. The price base amount is used when calculating different types of remuneration, e.g.

- ATP and General Pension
- Disability pension
- TGL
- Group life insurance
